## WORK EXPERIENCE

---

### Outpatient Family Clinic

July 2023 – Dec 2024

*Registered Nurse*

*Toronto, ON*

- Outpatient Family Clinic offers a range of medical services, emphasizing preventive care and holistic treatment approaches for families.
- Educate patients and their families about health conditions, treatment options, and preventive care strategies to empower their self-management.
- Document and maintain accurate patient records to ensure compliance with healthcare regulations and support continuity of care.

### Medavie Health Services

Jan 2022- May 2023

*Registered Nurse*

*Travel Clinics*

- With a focus on health improvement, Medavie Health Services provides integrated health care solutions across Canada, emphasizing community support and wellness.
- Monitored and assessed patient progress, adjusting care strategies as necessary to achieve optimal health outcomes.
- Educated patients and their families on health management strategies, ensuring they understood their treatment regimens and resources.
- Travel to underserved communities and areas to set up our mobile clinic operation utilizing culturally sensitive care

## EDUCATION

---

### University of Windsor

Graduated 2021

*Bachelor of Science in Nursing*

*Windsor, ON*

- Served as a mentor to first year incoming students
- Welcome week nursing leader
