

CARTER MACDONALD

Amherstburg ON | 519-982-6201 | cartermac2007@icloud.com

SUMMARY

I am a driven high school student about to graduate with a strong background in manufacturing and culinary arts, seeking a full-time position or apprenticeship. As a hands-on learner, I excel in automotive repair, woodworking and machining/fabrication. I have excellent time management skills, a rapid learning aptitude, and I am strong on dependability. Thriving in fast paced environments, I adapt easily to last minute changes and am consistently motivated to acquire new skills and contribute to team goals.

SKILLS

- Quick learner
- Operate most power and hand tools
- Knowledge on construction basic methods
- Reliable and trustworthy
- Clean and organized
- Attention to detail
- Adaptive learning
- Problem resolution

Certifications

- **Working at heights** September 18th, 2023. Local 494.
