HAILEY MURPHY

MECHANICAL TECHNIQUES - PLUMBING GRADUATE

Bowmanville, ON | (905) 244-3170 | Haileymurphyy2@gmail.com

PROFILE SUMMARY

Recognized as the Highest-Ranking Graduate of the Mechanical Techniques program, class of 2025.

EDUCATION

Durham College - Whitby, ON

2024-2025

Mechanical Techniques Certificate with Honours.

I have built a strong foundation in Plumbing Theory coupled with practical experience in Plumbing Practice. I am proficient in applying the Ontario Building Code to ensure compliance and safety in all plumbing installations. My education has strengthened my ability to perform accurate trade calculations and understand plumbing drains, waste, and vents in residential and commercial type installations.

WORK EXPERIENCE

Lear Corporation - Whitby, ON

December 2021 - May 2024

Seat Assembler

- Demonstrated ability to meet daily quotas, maintain quality assurance, and remain safety-conscious
- Member on the Green Team; tackling waste reduction.
- Responsible for organizing a pre-shift meeting, troubleshooting line or workforce issues, and taking over team lead responsibilities in the instance of absenteeism.
- Skilled at adapting to work revisions and changing job conditions.

European Plumbing Company - Durham, ON

Plumbing Helper (Casual)

- Gained hands-on experience in commercial drain cleaning, including locating, flushing, and servicing cleanouts and a manhole as part of overdue maintenance.
- Supported the installation of a hydronic radiant in-floor heating system by laying and gluing aluminum heat transfer plates, cutting materials, running PEX piping, locating supply and return lines through each room, securing supports, and assisting with the installation of the radiant manifold system.
- Assisted with install of new dual-head shower, bathtub, and vanity water supply connection.
