PROFESSIONAL SUMMARY

Highly motivated and safety-focused individual with recent hands-on experience as a **Plumber Helper** and a strong foundation in mechanical engineering principles. Seeking an **Apprentice role in the trades** where I can leverage my strong work ethic, commitment to safety, and dedication to learning and growing within a new field.

WORK HISTORY

Plumber Helper, 05/2025 to 09/2025 Mission Pools (Swimming Pool Company)

- Assisted lead plumbers with the **installation, repair, and maintenance** of swimming pool plumbing systems.
- Gained practical experience in **cutting pipes** according to precise measurements using a measurement tape.
- Worked extensively with various fittings, including **Tee, Elbow, coupler, and bushes**, to assemble plumbing systems.
- **Drilled holes and cut metal rods** to install and secure support hangers onto walls for pipe infrastructure.
- Supported the team by efficiently **transporting tools and equipment**, and utilizing various hand and power tools for tasks.
- Maintained a **clean and organized work area**, adhering to all safety protocols on site.

Security Guard, 02/2021 to 11/2023 First Security Protection Services

- Secured premises and personnel by patrolling property and monitoring surveillance equipment.
- **Responded quickly to incidents** and assessed active situations for security concerns.
- Remained calm, assertive, and mindful to think critically and problem solve during stressful situations.
- Completed full building and grounds patrols to spot and investigate concerns.
- Monitored CCTV cameras and alarm systems for security breaches.

KEY SKILLS & KNOWLEDGE

Trades & Mechanical Plumbing Assistance, Pipe Cutting & Fitting, **Fittings Assembly (Tee, Elbow, Coupler)**, Tool Handling, Drilling, Material Transport, Job Site Organization, Maintenance Inspections, Mechanical Principles, Fire Safety Regulations
Professional Verbal and Written Communication, Customer Inquiries, Problem Solving, Daily Logs, Detail-Oriented, Team Collaboration.

EDUCATION

Diploma: Transportation & Customs, 2021 Seneca College - Newnham, Toronto, ON
Supply Chain Management – Global Logistics Graduate Certificate, 2020 Seneca College -
Newnham, Toronto, ON

Mechanical Engineering: Engineering, 05/2019 Sree Dattha Institute of Engineering And
Sciences - Hyderabad, India
