Work Experience

Lead Hand

North canoe landscaping-Walkerton, ON
August 2023 to Present

As Lead Hand at north canoe, I supervised and coordinated a crew on residential and job sites, ensuring projects were completed efficiently, safely, and to high-quality standards. I interpreted landscape plans, delegated tasks, trained new employees, and maintained workflow by organizing materials and equipment. In addition to leading the team, I performed hands-on landscaping work including planting, grading, sodding, paving, and operating machinery such as skid steers and excavators.

Labourer

Priors projects and Reno's-Walkerton
June 2021 to August 2023

As a Home Renovation Worker, I contributed to residential remodeling projects by performing tasks such as demolition, framing, drywall installation, flooring, painting, tiling, and finish carpentry. I assisted with measuring, cutting, and installing materials, ensuring all work met quality standards and complied with building codes. I worked both independently and as part of a team, helping to maintain project timelines, solve on-site issues, and ensure a clean and safe work environment.

Line cook

McDonald's-Hanover, ON
February 2019 to June 2021

As a Line Cook at McDonald's, I prepared food quickly and accurately, operated kitchen equipment, and maintained cleanliness and food safety standards. I worked efficiently in a fast-paced environment, supported team operations, and ensured consistent quality during high-volume service.

Education

Diploma

WDCS-Walkerton, ON
September 2017 to June 2022
