Objective — Skilled Trades / Apprenticeship Candidate

Hardworking, mechanically inclined, and safety-focused individual seeking an apprenticeship in the skilled trades. Hands-on experience in automotive service, equipment handling, warehouse operations, and construction, with a strong work ethic and commitment to building a long-term career in a technical trade.

Apprentice-Relevant Qualifications

- Mechanical aptitude and hands-on tool experience
- Valid Ontario G Class Driver's License (Full, unrestricted)
- Experience driving F-350 trucks and transporting equipment
- Comfortable with physical labor, lifting 50+ lbs, and industrial environments
- Strong safety mindset, PPE compliance, and procedural discipline
- Reliable, punctual, and dependable
- Bilingual: English & Spanish

Relevant Work Experience

Taxpayer Services Agent — Government of Canada (CRA) | September 2022 – Present

- Demonstrated reliability, accountability, and discipline in a regulated federal environment
- Followed strict procedures, documentation rules, and confidentiality standards
- Maintained strong attention to detail and problem-solving under pressure

Warehouse Associate / Administrative Assistant — DHL Express | 2017 – 2020

- Loaded and unloaded packages in a fast-paced industrial warehouse
- Operated material handling equipment while following safety protocols
- Supported logistics, inventory accuracy, and team operations

Mechanic Apprentice / Shop Assistant — John Bear Auto Dealership | 2013 – 2016

- Assisted licensed mechanics with inspections, maintenance, and repairs
- Used hand tools, power tools, lifts, and shop equipment
- Performed oil changes, brake services, tire work, and parts replacement
- Developed mechanical troubleshooting and attention to detail

Equipment Transport & Job-Site Experience

- Transported generators, pumps, air compressors, and job-site equipment
- Safely loaded, secured, and unloaded heavy tools and machinery
- Explained equipment operation and safety procedures to customers
- Worked outdoors in all weather conditions

Trade & Technical Skills

- Mechanical aptitude & tool handling
- Equipment loading, transport & securement
- Preventative maintenance mindset
- Basic mechanical troubleshooting
- Workplace safety & PPE compliance
- Construction basics (drywall, flooring, concrete, siding)
- Physical stamina & teamwork

Education

Secondary School Diploma (or Equivalent)
