- Customer & Supplier Communication
- Health & Safety (OHSA, ESA, AODA)
- Physically Demanding Work Capability
- Team-Oriented & Flexible Scheduling

Professional Experience

AZ Truck Driver – Linamar, Guelph, ON
August 2023 – Present
Operate tractor-trailers on regional and out-of-town routes, including frequent GTA and Toronto deliveries. Perform detailed pre-trip and post-trip inspections to ensure vehicles meet safety and regulatory standards. Maintain accurate logbooks and documentation in accordance with MTO and government requirements. Coordinate with dispatch to manage route changes, delays, and operational challenges. Ensure tractors and trailers are maintained in clean, professional, and roadworthy condition. Provide professional, service-oriented communication with customers and suppliers. Report customer service issues, safety concerns, and incidents through proper channels. Work evenings, weekends, and overtime as required. Perform physical tasks including lifting, pushing, pulling, climbing trailers, and securing equipment.

AZ Truck Driver – KDR Trucklines, Kitchener, ON
January 2023 – August 2023
Safely transported freight on long-distance and provincial routes while meeting delivery deadlines. Conducted vehicle inspections and routine safety checks. Collaborated closely with dispatch to resolve on-road issues efficiently. Maintained accurate documentation and compliance with traffic and safety regulations. Assisted with additional routes and team operational needs.
