Work Experience

Watermain/Sewer Pipelayer

King Infrastructure-Brampton

April 2025 to October 2025

I worked as a laborer to begin, helping lay pipe and conduct watermain fixes. Also worked as a topman, loader operator and skidsteer operator. In the end was a pipelayer.

Maintenance/Millwright Assistant

Original Foods LTD-Dunnville, KY

March 2024 to February 2025

I worked as a facility maintenance worker/Millwright Assistant at Original Foods LTD for just under a year. My main tasks while employed was to ensure the facility was well maintained as far as leaks/cracks in the roof, broken or destroyed pillars (concrete work), and making sure the overall stability of the building was intact. I also had worked alongside many Millwrights while employed there, I was practically a second set of hands for them while they worked on machines, while also learning the mechanics behind it. I had a daily set of tasks as well as work orders that I would receive from the Plant Planner that I would have to complete. I worked with/on Skyjacks and worked in elevated spots of 20+ feet in the air.

Yard Worker

RONA-Grimsby

June 2022 to August 2022

I worked as a lumber yard associate for a few months at RONA. The daily tasks were similar to that of Home Hardware however I left in August of 2022 to pursue another job.

Yard Worker

Home Hardware-Smithville, MO
August 2019 to January 2022

I worked in a lumber yard/warehouse environment. I loaded, stocked, and shipped lumber and steel material. I would prepare lumber orders for delivery. I acquired my forklift license while employed and was operating the lift for 2 ½ years while working there. I am also experienced with Bobcats and Skyjacks. (Both operating and maintaining)
