I am looking for a part-time position that will allow me to use my skills in agricultural machinery repair, maintenance, and related fields. I will also consider working as a driver or in construction, grounds maintenance. Available to work Tuesday, Wednesday, and Thursday.

Skills & Qualifications

- **Heavy Machinery & Agricultural Equipment:** Extensive hands-on experience with CNH (Case 210, 290, 310, 340, 3330, 4430, 5130; NH CX 8.80), John Deere, Kinze, Great Plains, Amazone, Pottinger, and Tiger Mate equipment. Proficient in diagnostics, maintenance, and repair of tractors, sprayers, and combines.
- **Mechanical & Technical Skills:** Skilled in mechanical diagnostics, preventative maintenance, field repairs, arc welding, and equipment operation. Basic experience with sharpening, drilling, milling, and lathe machines.
- **Tools & Equipment:** Proficient in using a wide range of mechanical and electrical tools, managing a field service vehicle (Ford Transit) equipped for on-site repairs.
- **Licenses & Certifications:** Valid Canadian Propane Forklift Operator Certification; experienced in operating forklifts and heavy agricultural machinery.
- **Management & Organization:** Proven experience in team leadership, work process organization, planning, scheduling repairs, inventory management, and reporting.

Computer & Software: Proficient in reading technical drawings and diagrams; experienced with parts catalogs, Microsoft Word, and Excel.

Languages: Ukrainian (Native), Russian (Fluent), English (Basic proficiency – currently learning).

Experience with Ford Transit Van driving
