How did you hear about Millwright Union Local 1916?

I heard about the union through a mechanic at Ferrero that had also gone through the union to get his apprenticeship.

He gave me a positive recommendation if I'm having difficulties finding an apprenticeship.

Hobbies / activities?

Car modification and maintenance on a regular basis. Have also used to flip vehicles by doing my own repairs.

Also electrically inclined through my brief stint in college. I use that experience to do my own electrical work on my car.

Please check any valid training certificates that you may have:

First Aid CPR Fall Arrest WHIMIS
Forklift Propane Welding Rigging
Confined Space Power Elevated Work Platforms
Other Specify Trained in the ones checked but only in a company signoff.

Before this application can be considered, you must attach an official transcript of your high school records.

I hereby declare the above information to be true and accurate.
