## Professional Experience

### Packaging Line Associate

*Collective Arts Brewery, Hamilton, ON*

*May 2025 – August 2025*

- Operated and monitored **filler**, **sleever**, and **packaging** machinery to ensure efficient production flow.
- Inspected cans and packaging materials for quality, defects, and correct labeling.
- Worked with the production team to troubleshoot equipment jams, adjust settings, and maintain smooth operation.
- Palletized finished products and prepared orders for shipping.
- Followed strict safety, sanitation, and quality-control procedures in a fast-paced manufacturing environment.

### Grocery Clerk Associate

*Fortinos Eastgate, Hamilton, ON*

*June 2021 – February 2023*

- Delivered friendly and efficient customer service while supporting daily store operations.
- Organized stock, rotated inventory, and maintained clean, well-presented aisles.
- Received and processed shipments; verified product accuracy and completed inventory tasks.
- Safely operated an **industrial pallet power jack** and **Class 3 narrow-aisle reach truck (Raymond)**.
- Collaborated with team members and supervisors to meet workload and timelines.

### Rough Carpenter

*A.A Framing*

*June 2024 - February 2025*

- Maintaining cleanliness and organisation on the jobsite.
- Precision measuring and cuts to meet project specifications.
- Constructed walls, floors, and roofs; verifying everything was level and plum.

---
