

# TYLER YULE

Woodstock, ON N4T1A2

(226)622-9448 - Tyleryule2427@gmail.com

## OBJECTIVE

---

To continue my career as a millwright apprentice

## SKILLS

---

- MIG/MAG/TIG/STICK welding
- Bolted, clamped and tack-welded parts to secure components prior to welding.
- Avoided warping, shrinkage and distortion by carefully controlling welding processes.
- Selected and operated shielded metal arc and gas metal arc welding equipment.
- Read and follow blueprints and weld diagrams.
- Resolved weld-related problems by researching and using appropriate repair practices.
- Maintained safety by wearing protective equipment, staying alert and following procedures.
- Welded metal components in vertical, overhead and flat positions.
- Prepared for assembly by positioning, aligning and securing parts using tools such as jigs and vises.
- Monitored work area and equipment functionality and reported safety issues to management for effective resolution.
- Safely rigging loads prior to lifting
- Friendly, positive attitude
- Problem-solving
