

# Connor Martindale

## OBJECTIVE

Motivated and hardworking high school graduate seeking an opportunity to begin my career as a millwright apprentice. Eager to learn from experienced professionals, contribute to team success, and build a strong foundation in the trade.

## EDUCATION

Graduated from Cayuga High School June 2025 with SHSM designation (Specialist High Skills Major) which provides hands-on experience and sector-specific knowledge, to be better prepared for the demands of a millwright apprenticeship.
