

Pacey Camm

Elmira, Ontario | 548-883-0627 | cammpacey@gmail.com

Profile

I am a motivated and dedicated 19 year old seeking any positions you may have available, where I can portray my strong work ethic and eagerness to learn. I have reliable transportation and a strong desire to grow and contribute to any team I'm a part of.

Summary of qualifications

- **Problem solving skills:** Developed solutions to challenges in renovating new barn systems and construction jobs, ensuring quality and customer satisfaction
- **Understanding tools:** Strong understanding of tools, variety of experience including power tools, and hand tools. I have my own tools
- **Construction assistance:** Hands on experience in building high-rise, barns, working with electrical, concrete, and some framing experience. Comfortable with the fast paced, busy workplace, and a strong understanding of the process of working big jobs
- **Physical endurance:** Comfortable with physically demanding tasks and labour
- **Customer service:** Focused on delivering excellent service, ensuring customer satisfaction, and building long-term relationships with team members and clients.
