G License 

Professional Summary

I am looking for an environment to learn new skills and continue to develop in the skilled trades. The ideal place of work would coexist with my career in the armed forces.

As young as I am, I am looking for stability in a position that I could see myself growing into and living off of.

Skills

- Take Initiative
- Mixing concrete
- Drywall and taping
- Accountability
- Reading blueprints
- Leveling, Plumbing and Squaring windows
- Basic platform framing
- Caulking
- Leadership
- Training with power tools
- Installing trim

Hobbies and Interests

- Woodworking
- I enjoy reading my carpentry textbook and fixing small work around my house
- I enjoy pushing myself to become a more skilled person by learning about other trades and bodies of work
