## Profile

Motivated and hands-on Automotive Service Technician Apprentice with Level 2 training completed and currently awaiting enrolment in Level 3 courses. Experienced in automotive maintenance and shop operations, with a strong interest in expanding my mechanical skills and pursuing a career as a Millwright Apprentice. Eager to learn from experienced tradespeople, develop new technical skills, and contribute to a safe and productive team. Dependable, hardworking, and committed to continuous learning, with the ambition to build a long-term career in the skilled trades and take on new challenges. I'm dependable, safety-conscious, eager to learn and committed to building a long-term career with a company where I can grow and take on new challenges.
